

STANISLAUS COUNTY OFFICE OF EMERGENCY SERVICES

MGT 414: CRITICAL INFRASTRUCTURE RESILIENCE AND COMMUNITY LIFELINES

REGISTRATION

WHEN: APRIL 17, 2025
TIME: 8:00AM–5:00PM
WHERE: TURLOCK IRRIGATION
DISTRICT
333 CANAL DR.
TURLOCK, CA 95380

In this course participants will learn how to develop a roadmap for progress toward the National Preparedness Goal by facilitating the development of resilience considerations and involving essential community critical infrastructure partners. Participants will learn how to formulate considerations for the resilience of community assets that leverage cross-sector partnerships. These considerations enhance the whole community's ability to manage the risk associated with critical infrastructure protection efforts. Participants will have an opportunity to practice the practical skills necessary to formulate considerations in the local community.

Individuals completing this course in combination with MGT310, MGT315, MGT452, and AWR213, are awarded the TEEX Infrastructure Protection Certificate.
